

**Part 3: Hope**

There's a lot of good happening in the world. There's also a lot of strife. It can be hard to watch and wait for things to get better. However, Christmas holds a powerful key to help keep us going, even when things are difficult.

Scripture: Luke 2:22-35

Bottom Line: Celebrating that Jesus came in the past reminds us to wait expectantly for Jesus to come in the future.
